Beschreibung

"The body feels the need, the head doesn't. I am an eternal observer, an observer of others in recreation and procreation. Maybe I don't like transformation, maybe (my) mission lies elsewhere. I don't feel the need to be a carrier, even though I do carry. I do not feel the need to carry, even though I do. When the period of complete nonsense arrives, I lift up and I carry. All my children. Is this carrying only a substitute for the lack of perception of biological realities? I am a woman, I am a human, I am me ... My body, my thoughts, my voice. I came naked and I did not meet (you)."
